

**ECOBOILER/
UNDERCOUNTER
SOLUTIONS**

ECOBOILER UNDERCOUNTER SOLUTIONS

Marco enhance the renowned ECOBOILER range with the launch of a complete under-counter range, incorporating all of the features of ECOBOILER and more.

FONT OPTIONS

A range of dispense fonts are available, the standard push button solution, a double dispense unit or the sleek Überfont. Alternatively, choose your own dispense font and feed it with one of the ECOBOILER UNDERCOUNTER solutions with the pressure feed feature.
